SERVICE DESCRIPTION

SenticNet BRONZE Membership gives you a one-year access to our ever-growing repository of sentiment analysis datasets and code (Sentic Archives), custom sentic.net email address, personal sentic.net homepage, members-only mailing list, early access to Sentic Labcasts, bespoke customer support, batch processing of big sentiment data, and our ever-evolving Sentic APIs*, a suite of application programming interfaces that perform 12 sentiment analysis tasks in many different languages. The API suite comes with a Python SDK and an online UI for data visualization. Rates are inclusive of GST (9%) and IP fees (10%).
